

AFM[®]

Activated Filter Media

DRYDEN
AQUA
SUSTAINABLE
WATER
QUALITY

- ✓ **Self sterilising**, meaning there is no home for nasty bacteria and viruses.
- ✓ The only glass filter media certified for pools and **drinking water**. (NSF 50 & NSF 61).
- ✓ Offers much **healthier pool water** and stable filtration performance for many years.
- ✓ Can be used in any existing sand filter **without modifications**.
- ✓ AFM **saves water, chlorine and energy**, thanks to a more efficient backwash.
- ✓ Filters **200% better** than sand.
